ANNUAL REPORT of the town of ENFIELD, NEW HAMPSHIRE

ANNUAL REPORT

of the

TOWN OF ENFIELD

NEW HAMPSHIRE

Year Ending December

1994

In Memory of

Florence G. Tupper

October 17, 1904 - November 22, 1993

Florence Tupper contributed her time and energy in a myriad of ways which continue to be evident to the entire community. She served the Town of Enfield for over 35 years, holding positions such as Overseer of Public Welfare, Ballot Clerk, member of the Zoning Board of Adjustment, and Planning Board. Among other accomplishments, she served on the long-range school committee that recommended the building of the current Mascoma Valley Regional High School.

Patrick L. Mulherin

October 27, 1930 - April 23, 1994

Patrick Mulherin was a dedicated employee in Enfield's Highway Department. He worked tirelessly to maintain Enfield's roads and highways for the safety and convenience of its residents and to preserve the high standards of the community. Pat's amiable personality and good humor helped to keep morale high among his coworkers. His integrity, devotion to duty, and sincerity were well respected by those who were fortunate enough to have known him.

Rose B. Welch

May 2, 1919 - July 3, 1994

Rose Welch served the Town as Tax Collector for over 27 years, until her retirement in 1990. She will long be remembered for her ready wit and pleasant manner toward the residents with whom she came into contact in her role as Tax Collector. She is also greatly missed by her coworkers, as her tireless energy and pleasant smile made the day-to-day work go by that much quicker.

TO THE CITIZENS OF THE TOWN OF ENFIELD

With so many good things happening in Enfield during 1994, it is particularly unfortunate that the year ended on such a negative note. We are, of course, referring to the major tax increases so many of our citizens received in late December. Equally unsettling was the way those tax bills were misunderstood. This misunderstanding led to the spread of many false rumors which we would like to take this occasion to correct.

First and foremost, the total increase in the Town tax rate was less than 7%. What caused so many of you to have to pay so much more was this autumn's revaluation, which was undertaken to correct the inequities in the previous assessment. So, while some of us paid more, many people paid a great deal less. In general, the owners of condominiums, mobile homes and vacant land were the beneficiaries. We trust that the new assessments will remain stable until the next State-mandated revaluation some five years from now. Also, the Board of Selectmen and the Town Budget Committee have worked very hard to keep 1995 expenditures under control. Please note that the proposed budget (see page 22) is actually 8.38% less than last year's.

Now for 1994's *good* news. Despite the defeat at last year's Town Meeting of a \$275,000 bond issue for the development of a new well, the Town was still able to proceed with this project, using money from the Community Development Block Grant Program. Water/Sewer Superintendent Tim Jennings discovered that the State had money remaining in this program, thereby enabling the well to be developed at *no cost to the Town*. This new well will double the water supply in the Village area and allow us to lift the ban on new water connections. Thus, a major impediment to commercial development will be removed.

Also helping to improve the Town's future was the organization of the Community Renaissance and Community Profile Programs. The CRP was sponsored by the University of New Hampshire and focused on economic development. Committees were formed to publicize community events and services and to identify or develop landmarks unique to Enfield.

The Community Profile Program, sponsored by the League of Women Voters, focused on the future needs of the Town. Approximately sixty citizens attended, and many exciting ideas were generated.

A pleasant surprise during the past year was the success of the Town's new Recycling Facility. Thanks to the efforts of our environment-conscious citizens, the facility may break even this year and actually start producing a surplus in the near future.

We are also pleased to report that construction will soon start on the sidewalk in front of the Enfield Village School. When completed, it will make walking to school a lot safer.

More good news. The Carl Patten (Pillsbury Street) Bridge is proceeding on schedule. The geotechnical analysis, site survey, and engineering plans are completed, and project bidding is scheduled for the Spring of 1995.

The Board would like to take this opportunity to recognize the Fire Department for constructing the additions to the Enfield Center and Union Street Fire Stations. These additions were sorely needed for equipment storage and firefighter training. Most of the materials were purchased with Town funds, but all the work was done with volunteer labor.

We'd also like to thank all the citizens who volunteered to serve on various Town boards and committees. Good government doesn't just happen; it takes a lot of work by dedicated men and women. Over fifty people are needed to do this work, and government couldn't function without them. We encourage more citizens to become involved. An application form is available at the back of this report. All it takes to serve is a willingness to listen, learn, and be fair minded.

Appreciatively,

C. James Martel

Nancy Scovner

Bertrand Gilbert
ENFIELD BOARD OF SELECTMEN

To the Voters in Enfield

The Budget Committee has set the 1995 Town Budget at \$3,204,374. This represents an appropriation decrease of 8.38% under the 1994 budget. A number of issues are reflected in this budget.

1. Solid Waste Disposal (Landfill fees at Lebanon, NH) Because of contracts proposed by Lebanon, Enfield increased its budget by \$23,195, pending the contract signing between Lebanon and the towns.
2. Capital outlays for new equipment to replace existing equipment, \$130,500.
3. Capital outlays for acquisition and improvements of town buildings, \$108,341.

During the Budget Committee's deliberations, the committee expressed some concerns over the proposed budget and would like to make recommendations to the Selectmen and the Town.

In capital outlays--Buildings. The committee did NOT recommend the purchase of the Depot Street Building, or the funds for the "Smith Pond" property. The committee felt that there appeared to be no, "pressing need" for the Depot St. building and that adding an additional building to town property would be costly in the future. The Budget Committee recommends a total review of all town property before more property is added.

Secondly, concern relative to equipment purchases, came before the committee (computer, telephone services and radio equipment for various departments). In both cases the Budget Committee recommends that an outside consultant (not a supplier) review the needs of the entire town to consolidate the type, amount and purchase of equipment. The committee felt that our current purchases need a greater degree of coordinating between the various departments. The monies for these reviews should come from "new equipment" funds currently allotted in the Police and Fire budgets.

A third area of concern revolves around Capital Reserve Funds. In this years budget the sum of \$130,500, will be spent on new/replacement equipment with the monies coming from general revenues. Each year the committee is faced with replacement of some type of equipment. The Budget Committee strongly recommends that the town place adequate funds in Capital Reserve each year to reduce the impact these costly replacements have on general revenues, and taxes each year.

And fourth, the Committee strongly supports the, "Pay Classification & Update" in this year's budget. A review of salaries will bring Enfield into line with other towns, in an effort to retain employees. This will in the long run reduce costs to the town, in training and replacement employees.

Respectfully,

Holly Sanders, Chairwoman

Committee: Dominic Albanese, Wallace Andrew, Shawn Marchetti, Keith Oppeneer, Walter Paine, Evelyn Palmer, Donald Roberts, Denise Smith and James Martel

STATE OF NEW HAMPSHIRE

GRAFTON S.S.

TOWN OF ENFIELD

TO THE INHABITANTS OF THE TOWN OF ENFIELD, in the County of Grafton qualified to vote in Town affairs:

TAKE NOTICE AND BE WARNED that the Annual Town Meeting of the Town of Enfield, New Hampshire, **will be held on two days as follows:**

ON TUESDAY, MARCH 14, 1995, AT THE ENFIELD ELEMENTARY SCHOOL, School Street, Enfield, there will be voting only by Official Ballot, for the election of Town Officers and all other articles requiring vote by Official Ballot.

POLLS WILL OPEN AT 10:00 AM. AND CLOSE AT 7:00 PM. There will be no opportunity to vote by ballot on Articles 1 through 2 at the second session of the Town Meeting. After the polls close at 7:00 PM., the ballots will be counted.

ON SATURDAY, MARCH 18, 1995, Articles 3 through 20 will be presented, discussed and acted upon beginning at 10:00 AM. at the Enfield Elementary School, School Street, Enfield.

Article 1. To choose by ballot to serve for:

Three years: One Selectman
 One Tax Collector
 One Library Trustee
 One Fire Ward
 One Trustee of Trust Funds
 One Cemetery Trustee
 Two Zoning Board of Adjustment Members
 Two Recreation Commission Members
 Three Budget Committee Members

Two years: One Cemetery Trustee
 One Recreation Commission Member
 Three Budget Committee Members

One year: One Trustee of Trust Funds
 One Recreation Commission Member
 One Cemetery Trustee
 Three Budget Committee Members

Article 2. Shall we adopt an exemption for the totally and permanently disabled? The exemption, based on assessed value, for qualified taxpayers shall be fifty thousand dollars (\$50,000). To qualify, the person must have been a New Hampshire resident for at least 5 years and own and occupy the real estate individually or jointly, or if the real estate is owned by a spouse, they must have been married for at least 5 years. In addition the taxpayer must have a net income of not more than twelve thousand dollars (\$12,000) or, if married, a combined net income of not more than fifteen thousand dollars (\$15,000); and own net assets not in excess of fifty thousand dollars (\$50,000) excluding the value of the person's residence.

Yes ☐ No ☐

Article 3. To see if the Town will vote to raise and appropriate the sum of \$3,024,374 which represents the operating budget. Said sum does not include special warrant articles addressed. [Estimated tax rate of \$9.23 per \$1,000 valuation.]

Article 4. Pursuant to a petition of twenty-five (25) or more legal voters:

To see if the Town will vote to raise and appropriate the sum of twenty-five thousand dollars (\$25,000) for the purchase of the building on Depot Street for use by the Enfield F.A.S.T. Squad, and for other municipal functions as the selectmen may deem appropriate and authorize the withdrawal of twenty-five thousand dollars (\$25,000) from the Municipal Building Capital Reserve Fund. [This will result in no increase to the tax rate.]

The Board of Selectmen recommends passage of this article.

The Budget Committee does not recommend passage of this article.

Article 5. Pursuant to a petition of twenty-five (25) or more legal voters:

To see if the Town will vote to raise and appropriate the sum of Ten Thousand dollars (\$10,000) to complete renovations to the building on Depot Street. [Estimated tax impact of \$0.05 per \$1,000 valuation.]

The Board of Selectmen recommends passage of this article.

The Budget Committee does not recommend passage of this article.

Article 6. To see if the Town will vote to discontinue the Lockhaven Cemetery Capital Reserve Fund and Lakeview Cemetery Capital Reserve Fund, also known as the New Cemetery Land Acquisition Capital Reserve Fund, created in 1957, for the purpose of extension of or improvements to the Lockhaven and Lakeview Cemeteries.

Article 7. To see if the Town will vote to establish a Recreation Facility Capital Reserve Fund for the purpose of land acquisition for recreational purposes, for development of recreational facilities on existing Town property, and expansion of and capital improvements to existing recreational facilities, and to appoint the Board of Selectmen as agents to carry out the purposes of said fund. Further, to raise and appropriate the sum of forty-five thousand dollars (\$45,000) to be deposited in said fund. [These funds are coming from the old Lakeview and Lockhaven Cemetery Capital Reserve Funds and will result in no increase in the tax rate.]

The Board of Selectmen recommends passage of this article.

The Budget Committee recommends passage of this article.

Article 8. To see if the Town will vote to establish a Cemetery Capital Reserve Fund for the purpose of cemetery land acquisition and expansion of or capital improvements to existing Town cemeteries and to appoint the Board of Selectmen as agents to carry out the purposes of this fund. Further, to see if the Town will vote to raise and appropriate the sum of \$19,155 to be deposited in said fund. [These funds are coming from the old Lakeview and Lockhaven Cemetery Capital Reserve Funds and will result in no increase in the tax rate.]

The Board of Selectmen recommends passage of this article.

The Budget Committee recommends passage of this article.

Article 9. To see if the Town will vote to raise and appropriate fifteen thousand dollars (\$15,000) as a portion of the purchase price of a parcel of land owned by Sally Kinney, Tax Map 7 Lot 9, said land to be used for public recreational purposes, provided legal access is obtained and the Upper Valley Land Trust provides any and all additional funding required for the purchase of said land.

The Board of Selectmen recommends passage of this article.

The Budget Committee does not recommend passage of this article.

Article 10. To see if the Town will vote to appropriate to the Conservation Fund as per RSA 79-A:25 II, 50% of the Town's yearly collection of the Land Use Change Tax, with an annual cap of \$5,000. As per RSA 36-A:5, such funds, by a vote of the majority of the Conservation Commission, shall be spent on conservation projects. Prior to the use of such funds for the purchase of any interest in real property, the Conservation Commission shall hold a public hearing with notice in accordance with RSA 675:7.

Article 11. To see if the Town will vote to authorize the prepayment of resident taxes and to authorize the Tax Collector to accept payment in prepayment of taxes.

Article 12. To see if the Town will vote to repeal the sewer ordinance adopted on March 14, 1989 and all amendments made thereto on March 14, 1990. This request is made to simplify the process of updating Town ordinances to address annual New Hampshire Department of Environmental Services revisions to rules which affect municipal waste-water services. The ordinance to be repealed will be replaced by the new municipal wastewater ordinance recently approved by the Board of Selectmen under the authority of RSA-149 I.

Article 13. To see if the Town will vote to authorize the selectmen to apply for, accept and expend, without further action by the Town Meeting, unanticipated money from a state, federal, or other governmental unit or a private source which becomes available during the fiscal year, pursuant to RSA 31:95-b.

Article 14. To see if the Town will vote to authorize the public library trustees to apply for, accept and expend, without further action by the Town Meeting, unanticipated money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year, pursuant to RSA 202-A:4 (c).

Article 15. To see if the Town will vote to authorize the selectmen to accept gifts of personal property which may be offered to the Town for any public purpose, pursuant to RSA 31:95-e. The selectmen must hold a public hearing before accepting such gift, and the acceptance shall not bind the Town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of any such personal property.

Article 16. To see if the Town will vote to authorize the selectmen to borrow money in anticipation of taxes, as provided under RSA Chapter 33.

Article 17. To see if the Town will vote to authorize the selectmen to administer, sell or otherwise dispose of any real estate acquired by tax title or otherwise, by public auction, by advertised sealed bids, or to otherwise dispose of as justice may require, pursuant to RSA 80:80, providing that if such property is to be sold at public auction, then the same shall be advertised sixty (60) days in advance of sale and again forty-five (45) days in advance of sale with notice posted in three public places and two local newspapers of wide circulation for two consecutive weeks.

Article 18. To see if the Town will vote to authorize the selectmen to accept the dedication of any street shown on a subdivision plat approved by the Planning Board, provided that such street has been constructed to applicable town specifications as determined by the selectmen or their agent.

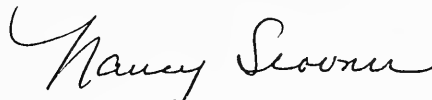

Article 19. To see if the Town will vote to authorize the selectmen to accept, on behalf of the Town, gifts, legacies, and devises made to the Town in trust for any public purpose, as permitted by RSA 31:19.

Article 20. To hear the reports of agents, auditors, committees, or any other officers heretofore chosen and pass any vote relating thereto.

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of
the Board of Selectmen
Town of Enfield
Enfield, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Enfield as of and for the year ended December 31, 1993, as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Enfield as of December 31, 1993, and the results of its operations and cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Enfield. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

John P. Carr
John P. Carr, Treasurer

BUILDING INSPECTOR/HEALTH OFFICER

To those who are planning a building project in 1995, I encourage you to begin your paperwork early. No building permits will be issued without first obtaining approval from the Planning/Zoning Administrator. Building permits shall be obtained before beginning construction, alterations or repairs, other than ordinary repairs. [Ref. 1993 BOCA, Section 111.0, Application for Permit.]

Building permits were issued, in 1994, for 23 single-family homes, 20 garages and barns, 13 mobile homes, 58 additions and renovations, 34 storage buildings and decks, 2 renewals, 13 plumbing, 17 electrical, 5 mechanical and 12 demolitions. The total number of permits for 1993 was 144 with 1994 having 179.

The Town is presently using the 1993 National BOCA Building Codes and the CABO 1 & 2 Family Dwelling Code, a part of the BOCA Code.

Building codes have been a great deal of help in protecting the public from improper methods of construction. BOCA Code books are available for viewing at the Enfield Public Library, during regular hours.

Applications for a permit may be obtained at the Selectmen's Office for building, electrical, plumbing, mechanical and demolition.

If you need help, or have any questions, please call 632-4067. If I am not in, please leave a message and I will return your call. Questions answered now can prevent delays later. Office hours are Tuesday, 8-4, or by appointment.

In 1994 & 1995 we are experiencing a migration of rabies from the South to the North, primarily carried by raccoons and from the North to the South, primarily carried by foxes. The State Public Health Division has reported 220 cases of confirmed rabies for 1994. This is compared to 149 cases in 1993 and only 10 cases in 1992. If you suspect an animal is rabid, contact your local veterinarian or animal control officer immediately.

As Health Officer I have assisted in many repairs and replacements of failed septic systems. I have inspected licensed day care centers and foster homes.

Please help keep our town a place of which we can be proud.

Respectfully submitted,

Howard Adams
Building Inspector/Health Officer

CARL PATTEN BRIDGE COMMITTEE

Last year at the March Town Meeting you, the people of Enfield, approved the funding and construction of what is now known as the **Carl Patten Bridge**. The bridge crosses the Mascoma River off of Baltic Street. The approval by the voters was one of the highest ever at a town meeting, **89%**. The Bridge Study Committee reviewed, investigated and studied alternatives to replace the old bridge. The result was not the original **\$1,200,000**, but a bridge of **\$360,000** of which **80%** is to be **funded by the State** and the balance, **(20% of costs, plus engineering)** the **responsibility of the Town**. This resulted in a maximum cost to the Town of **\$135,000**.

Present Status of the Carl Patten Bridge as of January 3, 1995.

1. Surveying complete.
2. Development of base plan complete.
3. Geotechnical analysis complete.
4. Preliminary engineering in progress.
5. Preliminary schedule for final plans/bidding includes 90% complete plans, with cost estimate, by our 1995 March Town Meeting.
6. Preliminary engineering report to be submitted to NH DOT for review by the end of January 95.
7. Project bidding schedule for Spring of 1995.

Respectfully submitted

Carl Patten, Chairman

Carl Patten Bridge Committee Members: Carl Patten, Chairman, Raymond Aldrich, Tim Taylor, Paul Putnam, and Peter Martin.

ENFIELD CONSERVATION COMMISSION

During 1994 the Commission has been very busy, with all of the members very active in a number of projects. Some of the projects started this year will continue for many years to come.

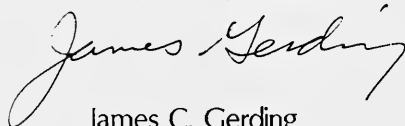

The most notable achievement was opening a new walking and cross-country skiing trail on Town property off the Grafton Pond Road. Known as the Bicknell Brook Trail, it can be reached from a parking lot located on the Grafton Pond Road about 400 yards from Rte. 4A. The trail is very user friendly, with grades up and down, but none very steep. It is well marked and easy to follow. The trail is in large part the result of considerable work by Alan Strickland, current chairman of the Trails Subcommittee, who designed the layout and cleared the trees and blowdowns over its route.

Realizing that natural resources are a valuable asset of the Town, the Commission has formed a subcommittee to identify and list the resources of most importance and interest. This committee has gone about its work enthusiastically and has already listed sites of exceptional scenic value. It is now investigating areas of historical and cultural significance. As the resources project has developed, it has become evident that its scope can include much more than was originally envisioned, and the completion of a comprehensive inventory will probably take several years.

The State of New Hampshire Wetlands Board has recently adopted an Expedited Minimum Impact form. For certain minimum impact projects, completed applications will be received and permits issued by the Wetlands Board within 30 days from receipt. Application forms and information sheets are available from the Town Clerk's office. The expedited permit requires that the Conservation Commission review the project and sign the application prior to submittal. It is hoped that this will shorten the permitting process for a large portion of applications.

The Conservation Commission continues to welcome suggestions for preserving the environmental assets of the Town for the enjoyment and benefit of all, and it is always ready to try and assist residents who have questions or problems regarding the environment.

Respectfully submitted,

A handwritten signature in cursive script, reading "James C. Gerding". The signature is written in dark ink and is positioned above the printed name and title.

James C. Gerding
Chairman

ENHANCED 911 COMMITTEE

The Enfield Enhanced 911 Committee was established in the Spring of 1993 by the Enfield Board of Selectmen. The Committee has been meeting about once a month to determine how Enfield can comply with recently enacted State legislation to establish an improved, statewide Emergency 911 System. Basic 911 service is currently available in Enfield but is not able to identify a caller's location. Enhanced 911 will, when a call is placed, display for the emergency operator the address at which the telephone is located. Emergency crews will then be able to quickly locate the problem without relying on the caller's ability to supply directions.

Clearly, the success of this system relies on a uniform and non-repetitive building identification system as well as on clear and accurate displays of street names and building numbers. Therefore, the Enhanced 911 Committee is recommending to the Selectmen that an addressing system be established in Enfield. Rural routes with box numbers will no longer be used. Every building will have a unique number on a uniquely named street which will become each resident's legal mailing address. Emergency crews, out-of-town visitors, and delivery vehicles will all be able to more easily and quickly locate a particular residence.

The Enfield Enhanced 911 Committee drafted an Ordinance to establish the uniform street naming and building numbering system in Enfield. This Ordinance will clearly instruct residents on how to display their building numbers, will ensure that new buildings and roads will be numbered and named properly, and will authorize the Selectmen to approve the names of all streets in Enfield. The Ordinance also includes the Master Street Name List which establishes for every street in Enfield a name which is uniform along its entire length, does not sound like any other street name, and does not include directional words like "North." The Committee worked with many residents in establishing new street names where necessary.

The draft Ordinance and the street names contained within will be voted on by the Selectman after a public hearing process. In the end, most street names in Enfield will not be changed. However, adjusting to the necessary changes will take time. Undoubtedly, the increased convenience and improved emergency service will be worth the adjustment for all of Enfield's residents.

Respectfully submitted,
Enhanced 911 Committee

ENFIELD F.A.S.T. SQUAD

Well, 1994 has finally come to a close, and it was a busy year for the Enfield FAST Squad. We responded to 243 calls this year. Another record year!

We currently have 16 members and all are certified to at least the Basic EMT level. Sue Prentiss, our training officer, completed her Paramedic training and has successfully passed her exams. Congratulations Sue!

In April we held our annual CPR life saving course and approximately 25 people attended. We are planning another CPR course for the Spring of 1995.

In August we did some training with Dartmouth Hitchcock Air Response Team (DHART). For those who are not familiar with DHART, this is Dartmouth Hitchcock's new helicopter program.

In between calls, we have been busy keeping up with the necessary training that is required to stay certified as EMTs. We are required to put in 48 hours of continuing education within a two year period. At the end of two years, we must take an EMT refresher course and the State of N.H. written and practical exams. These exams also meet the National Registry of EMTs requirements.

The FAST Squad took possession of a new Life-Pak 300 Heart Monitor/Defibrillator along with a new Motorola two-way radio for Enfield Ambulance. These two items combined cost a little more than \$9,000.00 and, best of all, at no cost to you. The money for these was raised by the FAST Squad.

As most of you have probably heard by now, the FAST Squad is looking at the Depot building on Depot St. as new quarters for our ambulance. As you can see by the number of calls we did this year and the continued increase in training to meet the State and National requirements, the one bay where our ambulance is kept (at the fire station) is no longer adequate. This new building will give us plenty of room for meetings, possible expansion in the future and a place to discuss matters pertaining to patient care without jeopardizing the patients right to confidentiality.

On the warrant there will be a request to purchase the Depot building at a cost not to exceed \$35,000.00. The building will cost \$25,000.00 and the remaining \$10,000.00 will be used for the necessary repairs. Because \$35,000 is a good size of money to raise, it left us no choice but to ask you for help.

You have been very supportive over the years, and we hope you do the same this year. We thank you for that support and hope you will support us by voting yes on the warrant article.

Motor Vehicle Accidents	4
Smoke Investigations	16
Carbon Monoxide Incidents	8
Other	3
Total	121

UNION STREET STATION

The Enfield Fire Department had a very busy summer with the building of the addition to the Union Street Station. There was overwhelming support from the community which enabled the fire department to build the addition to the 90% of completion that it is presently at now. The exterior is now finished and the station is presently housing all fire department equipment. The firefighters, with help from the community, look forward to completing the interior in the near future.

Many of the firefighters, to better themselves in fire protection and emergency services, are continuing their educations through college classes, New Hampshire State Certification classes, and emergency medical training. This is all in an effort to stay current with the changing times and to provide the best protection possible.

We would like to thank everyone for the continued support of the Enfield Fire Department, including the donations of money and time.

Respectfully submitted,

David J. Crate
Chief, Enfield Fire Department

ENFIELD CENTER STATION

The Enfield Center Fire Department wants to thank the voters of Enfield for making our building addition possible.

We are updating our quarters for current needs, hopefully to consider and include future growth in Enfield Center.

Almost all outside building maintenance has been eliminated by the addition of a metal roof, vinyl siding and vinyl thermopane windows. We have landscaped the area and added six to eight off-street parking spaces.

We want to thank the Fire Wards for the funds to purchase a new furnace.

All labor and equipment used were donated by the Enfield Center Fire Department members and their many friends.

Respectfully submitted,

Richard Chase
Assistant Chief

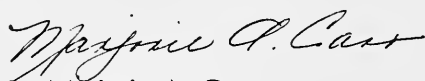

ENFIELD PUBLIC LIBRARY

During 1994 circulation, one indicator of library use, increased 13% over 1993. This combined a positive trend and the library returning to a full year of operation after being closed part of last year for renovation. The elevator, installed during this project, became operational in April and appears to be much appreciated. It provides an access for those patrons who were previously unable to easily use the facilities. The School/Library Program and the monthly storytimes continue. Staff member Jennifer St. James has taken on the planning and coordination of this service from long-time volunteers Susan Mellow and Jan Kulig.

The adult book discussion series, partly funded by the Humanities Council and jointly sponsored by the libraries of Enfield, Lebanon and Canaan, was scheduled this fall. Much time and a lot of effort are devoted to providing programming of adult interest. A dedicated core group attended these evening discussions which would be even more beneficial and interesting if more Enfield residents were participating. All are invited.

A special note of thanks to the Dartmouth Bookstore for donating a set of encyclopedias and The Lebanon Eagles Auxiliary for sponsoring large-print book purchases. Also to the Book Lady for her continued support and words of encouragement. To volunteers Becky Powell, Vi Leonard and Nancy Scovner a special thank you for assistance with the children and with double staffing.

The Library hours are Monday, Tuesday and Thursday, 1:00 to 8:00pm; Wednesday 10:00 to 6:00pm and Saturday 10:00 to 2:00pm.

Marjorie A. Carr
Librarian

ENFIELD PLANNING BOARD

In 1994, the Planning Board worked with many property owners on subdivisions and site developments. The Board approved two Resubdivisions, two Minor Subdivisions, eight Boundary Line Adjustments, four Site Plans, and one Home Occupation. They denied one Boundary Line Adjustment. Thirteen conceptual plans were also discussed. Fourteen Town driveway permits and four State driveway permits were approved. Five wetlands applications were filed.

Although Planning Board applications were few in 1994, the Board was busy with several planning projects. With the assistance of Ray Lobdell of Lobdell Associates, Inc., the Board has been working on revising the Town's Master Plan. Town Departments and Commissions as well as recreation groups and businesses in Town were surveyed for their input into the revised Plan.

In June, the Planning Board co-sponsored with the Selectmen the Community Renaissance Program, a three-part workshop presented by the Office of Economic Initiatives at the University of New Hampshire. This program taught strategic planning for community-based economic development. The program was well attended and led to the formation of the Enfield Community Development Committee. This committee is working to continue to improve the quality of life, expand the commercial and industrial base, and upgrade the local service business base in Enfield.

The first Community Profile in the Upper Valley took place in Enfield in October. Over sixty people came to the day-and-a-half event which evaluated Enfield today, created a vision for its future, and developed action plans to achieve those goals. Several groups formed at the Profile are meeting to see their ideas become reality. The Enfield Community Development Committee is serving as an umbrella organization for smaller project groups.

The Planning Board has been working on revisions to the Subdivision Regulations to clarify certain sections and tailor application requirements to the different types of applications that can be filed. Several changes to the Enfield Zoning Ordinance were approved at last year's Town Meeting. An amended version of the Zoning Ordinance, which now includes the Floodplain Development Ordinance, is available.

The Planning Board consists of seven appointed members and one Selectman. Meetings are held on the second and fourth Wednesday of each month in the Police Building conference room at 7:00 pm. A new administrator for the Board began work in May under the new title of Community Planner. In 1995, a new individual will take over this position under the original title of Planning/Zoning Administrator. The Planning/Zoning Office (632-4067) is located in the rear of the Police Building where office hours are held Tuesdays from 9:00 am to 3:00 pm and Fridays from 9:00 am to 1:00 pm or at other times by appointment.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Alisa Golodetz", with a stylized flourish at the end.

Alisa D. Golodetz
Community Planner

ENFIELD POLICE DEPARTMENT

For most of 1994 the department operated understaffed. In late November, two recently hired officers completed their training, and the department strength was brought back to five full-time officers.

There was a significant increase in the number of Domestic Violence Petitions served by the Department. Since 1990 the number of petitions served by the department averaged about 12-14 yearly. In 1994, a total of 28 Domestic Violence Petitions were served. It is unknown if this substantial increase is a mark of increased violence in our community or if victims are using the legal means available to protect themselves and other family members. Another factor may be the department's commitment to vigorously protecting family members from abuse and violence. Department policies mandate the arrest of the primary physical aggressor in domestic disputes, and criminal charges are not dropped when requested by the victim.

To better understand the dynamics of domestic violence, department members have received considerable training in the causes and cyclic nature of such violence. Additional instruction has been received in the collecting and photographing of evidence in criminal cases arising out of domestic disputes.

We have found WISE of Lebanon to be an outstanding resource in our efforts to provide protection to victims of domestic violence. The WISE Domestic Violence Program has provided training to our officers and has provided immediate assistance to victims of domestic abuse.

Despite public attitudes and the passage of harsh laws, there were 27 DWI arrests in 1994. No specific pattern can be developed from our arrests. Of the 27 arrested, 7 were local residents, 15 were non-residents, and 5 were out-of-state residents. Ages of the arrestees varied from 16 to 61 years old. The number of test refusals (8) and the number of drivers tested above .16% BAC (10) suggest that many of the arrestees may be people with problems with alcohol.

We wish to thank those citizens who took the time to report drunk drivers. This was a tremendous assistance to our enforcement efforts and may have prevented a number of accidents.

There were 12 burglaries reported during this report period of which 7 were in commercial establishments. By the efforts of Officer Richard Crate, 9 of these cases were solved. Officer Crate has successfully completed specialized training in criminal investigations and, with untiring efforts, has been able to achieve this high clearance rate.

The department continues with programs aimed at prevention. With the assistance of the Enfield-Mascoma Lions Club, Canaan Lions Club, Enfield Lioness, Mount Calm Grange, Great View Roller Rink and Social Summit Lodge #50 F&AM, the department was able to provide 153 students of the Indian River School with DARE training. We, again, thank Principal Andy Mellow and his staff for their cooperation in this important undertaking.

Chief of Police

TOWN CLERK

Since this time last year, we are happy to announce an increase in all monies that were realized from Dog Registrations, Municipal Fees and Motor Vehicle Registrations. The response from residents has been great, as you seem to be very happy with the service that we are providing.

Hopefully, we will be able to offer an opportunity for you to mail in for your motor vehicle registration renewals. Over the years I have noticed that people forget to renew their registrations, so, the middle of the month before your renewal is due we will send notices out reminding you that you need to renew your registrations. And, if you choose, you will have an opportunity to have them mailed. Also on these notices, we can provide a reminder for you to pay your resident tax and to license your dogs.

Also, the State is offering Town Clerks free computer systems so we will be able to print our Vital Records. This new system will increase our efficiency and make it easier for us to prepare copies of vital records.

I admit that I was discouraged at times learning the computer, but there has been an advantage in offering better service to you, our residents.

Respectfully submitted,

A handwritten signature in cursive script, reading "Ilene P. Reed". The signature is fluid and elegant, with a long, sweeping underline that extends to the right.

Ilene P. Reed
Town Clerk

TOWN CLOCK PROJECT COMMITTEE

The efforts of the Enfield Town Clock Project Committee (ETCP) have come full circle. Despite the time and energy expended, the lack of interest in the community for restoring the town clock has caused us to realize that we are not going to be able to accomplish our objective, at least at this time. Perhaps it is just a matter of bad timing.

The intent of the committee was to come up with a proposal, complete with structural analysis, cost estimates and design, enabling the Town to preserve this bit of Enfield's history for future generations. It was hoped that the motion works would be reconditioned, the hands and faces rebuilt and all the components (including the bell) would be placed in an extended tower of Whitney Hall. Our desire was to have an open tower design, circa 1900.

The Selectmen held a public hearing on February 6, 1995 to decide the fate of the ETCP and there was no response from the community. It was agreed that the time had come to disband the committee. At the hearing, a letter was received from the Enfield Historical Society, offering to accept the clock and bell for display in the Society's museum at Enfield Center. The ETCP's only concern is that a written agreement contain the stipulation that the town retains ownership of the clock and bell. The advantage of this temporary solution will be visibility and protection of town property.

Thanks go out to all hard-working committee members, professional firms and contributors. A very special thank you goes to Donn Lathrop of Thetford, Vermont for his valuable and consistent advice. He came to us as a consultant and became a friend.

Our largest single donor has requested that his donation be returned so that it can be used for another purpose. We understand his position. All donors will be offered a refund (with presentation of proof). Any monies not refunded will remain in the Town Clock account. Hopefully, the citizens will want to pursue reconstruction of the Town Clock in the future.

Respectfully submitted

Evelyn Palmer, Chairman

Enfield Town Clock Project Committee members: Evelyn Palmer, Chairman, Ken Wheeler, Pat Gillam, Dolores Struckoff, Christine Howe, Frans Strandberg, and Nickolas Loupis.

ENFIELD ZONING BOARD OF ADJUSTMENT

In 1994, the Zoning Board heard a variety of appeals dealing with such issues as signs, lot size, location of structures, and use of property. The ZBA granted two Variances, three Special Exceptions, and one Appeal of an Administrative Decision in addition to denying one Variance request and one Appeal of an Administrative Decision.

A new administrator for the Board started in May under the title of Community Planner. The Community Planner has been very busy following up on a variety of complaints. In some situations, there was no violation of the Zoning Ordinance. For most situations in which a violation was discovered, the situation has been resolved. Citizens concerned about a possible violation of the Zoning Ordinance should inform the Community Planner. Complaints should be in writing and signed.

The Community Planner has also been quite busy answering questions about permitted uses and permitted locations of structures. Citizens planning to install or expand a use or structure should discuss their ideas with the Community Planner before beginning any work to verify that their plans do not violate the Enfield Zoning Ordinance.

The Zoning Board of Adjustment consists of five elected members and three appointed alternates (of which there is currently only one). Meetings are held on the second Tuesday of each month in the Police Building conference room at 7:00 pm. The Community Planner is available in the Planning/Zoning Office at 632-4067 on Tuesdays from 9:00 am to 3:00 pm and on Fridays from 9:00 am to 1:00 pm. Appointments at other times can be arranged. In 1995, a new individual will take over the administrative position under the original title of Planning/Zoning Administrator.

Respectfully Submitted,

Alisa D. Golodetz
Community Planner

ADVANCE TRANSIT, INC.

Advance Transit is a regional non-profit company incorporated in the State of New Hampshire in 1984. Towns currently served are Canaan, Enfield, Hanover, Lebanon, and Lyme, New Hampshire and Hartford and Norwich, Vermont. Advance Transit is governed by a volunteer Board of Directors. Persons interested in serving on this board should contact Advance Transit for more information.

The past year was a busy one for capital projects. In October, following several years of effort, Advance Transit completed and moved into a new facility located in Wilder, Vermont behind the old Billing's Dairy on Route 5. The building houses all of the maintenance, administrative, and vehicle storage needs for the company. The project was financed by USDOT grants through the Vermont Agency of Transportation and a low interest loan from the Community Transportation Association of America. The project not only provides facilities tailored to the company's operating needs, but provides significant long-term financial benefits by eliminating lease costs.

Advance Transit also secured grant funds to finance badly needed replacement vehicles. The first of these will be placed in service during January and February, 1995, and will have improved passenger amenities including wheelchair lifts, lighted destination signs, and air conditioning.

Advance Transit continues to offer its Rideshare service. Persons interested in finding carpool partners can register for this program by calling (802)295-1824 or 1-800-685-RIDE. Referrals are strictly confidential.

Advance Transit carried 128,765 passenger trips during its fiscal year ending September, 1994.

In 1995, Advance Transit will be concentrating not only on getting new buses on the road, but on improving its schedules within the Hanover/Lebanon/White River Jct. core service area. One of the primary objectives is to improve on time performance and transfers throughout the system.

Thank you for providing continued support for alternatives to single occupant vehicle use in the Upper Valley.

Van J. Chestnut
Executive Director

REPORT TO DISTRICT ONE CITIZENS

As your Executive Councilor for this Town and area, it is privilege to communicate with you in this District of 98 Towns and 4 Cities. The five-member Executive Council acts much like a board of directors within the executive branch of your state government. Our authority extends to the approval of contracts with out-of-state government organizations, municipalities, individuals, and businesses. The judges in the judicial branch of your government all receive their appointments by nomination by the Governor and confirmation by the Executive Council.

The Governor and Council provide approval of Community Development Block Grants, Business Finance Authority loans and major docks and mooring fields in state waters. The Council also provides approval of dozens of Boards and Commissions and confirmation of 266 Commissioners and Directors nominated by the Governor.

As we look forward toward 1995 citizens and local officials will be asked to bring forth recommendations for the 10-year highway plan for New Hampshire. I plan to hold at least five public hearings in this district and will be asking the regional planning commissions to assist in this process.

Other items to be on the look-out for would be applications for approximately three million dollars worth of transportation enhancement projects, much of which is already obligated. (Local regional planning commissions can be of help in this area.) We should be most aggressive in applying for some of the 8 million dollars of Community Development Block Grant money through the Office of State Planning, and your local promotional organizations should be dreaming of ways to apply for some of the estimated \$600,000 in matching grant money for area promotion. (Call 271-2411 for more information.)

Citizens, local officials and local businesses should also be aware of the vast number of people in your state government who are available and willing to provide technical assistance and information for local and regional concerns simply by calling or writing my office.

New Hampshire State Government is small enough and efficient enough to provide friendly, courteous and timely service to those who seek information, assistance and relief, if such is a part of New Hampshire State law and budget. Should my office be of assistance within the Executive Branch of your State Government please write or call. It would be an honor to be of service to you in a friendly, courteous and timely manner!

Raymond S. Burton

Room 207, State House, Concord NH 03301 Tel. 271-3632

TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

In the calendar year 1994, our three (3) leading causes of fires were No Permit, Children and Rekindles of fires where the fire was not properly extinguished.

Violations of RSA 224:27 II, the fire permit law, and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

To aid your Forest Fire Warden, Fire Department and State Forest Fire Officials, contact your local Warden or Fire Department to find out if a permit is required. This also helps to prevent unnecessary response to a controlled burn.

<u>FIRE STATISTICS</u>	<u>1994</u>	<u>AVERAGE 1990-1993</u>
Number of Fires Reported to State for Cost Share Payment	283	443
Acres Burned	217	246
Suppression cost = \$90,000+		
<u>FIRES REPORTED BY LOOKOUT TOWERS</u>	<u>1994</u>	<u>FIRES REPORTED BY DETECTION AIRCRAFT</u>
Fires Reported	588	443
Assists to Other Towers	363	
Visitors	21,309	

Local communities and the State share the cost of suppression on a 50/50 basis. The State of New Hampshire operates 15 fire towers and 3 contract aircraft patrols. This early detection and reports from citizens aid the quick response from the local fire departments.

"REMEMBER, ONLY YOU CAN PREVENT FOREST FIRES!"

John Q. Picard
Forest Ranger

Donald A. Crate
Enfield Forest Fire Warden

GRAFTON COUNTY COMMISSIONERS'

1994 REPORT

Despite some major personnel changes during the past year, we have enjoyed a smooth transition, thanks in large part to the concerted efforts of our employees, including department heads, our administrative team, and the employee council.

After two and a half years of service to the county, our Executive Director, Evelyn Smith, retired. Her position has been filled by Ernie Towne, moving from Superintendent of Corrections, after an extensive search. His former post has been taken over by Sidney Bird.

After the resignation of Nursing Home Administrator John Richwagen, John Will joined us as the Administrator of the Grafton County Nursing Home. During the interval, Office and Personnel Supervisor, Joanne Mann, did an outstanding job as Acting Administrator. Another change was the addition of Dr. David Fagan as Co-Medical Director, joining our long-time Medical Director, Dr. Harry Rowe.

In January of 1995, a new Commissioner from District 3, Steve Panagoulis of Plymouth, will be taking over Betty Jo Taffe's seat. Betty Jo, after many years' interest in and association with Grafton County, opted not to seek re-election in order to join her husband on his sabbatical.

In November of 1993 construction of an expanded Special Needs Unit was completed at the Nursing Home and 20 residents moved into their new quarters. Family Day was held once again for Nursing Home residents and their families, and continues to be a huge success.

During FY 1994 Grafton County saw the completion of Phase I of the AHEAD, Inc. Community Development Block Grant (CDBG), used to purchase and renovate low and moderate income housing in the Littleton area, and made significant progress on Phase II.

In addition, the Office of State Planning notified the county that it had been awarded a two-year CDBG of one million dollars for the Whole Village Family Resource Center in the Plymouth area. Funds will be used to construct a facility which will house local human service agencies that work with children and families.

During early FY 1994 the County Long Range Planning Committee presented a preliminary plan for addressing County Courthouse space needs. The County hired CMK Architects of Manchester, NH to conduct a feasibility study of the options presented by the committee: renovation and construction of an addition to the courthouse or an annex as soon as funding is available. In the meantime, the Commissioners approved the state's plan for renovating the Grafton County Superior Court Office at state expense.

Once again, Grafton County observed April 16-23 as County Government Week. Activities included an information booth with educational materials at the Powerhouse Mall in West Lebanon, an art exhibit at the County Courthouse, and public tours of county offices. In May, a Conservation Field Day for school children was held at the Grafton County Farm, and in June the farm hosted an open house.

Financially, fiscal year 1994 was successful. Revenues exceeded budgeted expenditures by \$738,814, due in part to the unanticipated receipt of nearly a half-a-million dollars of Medicaid Proportionate Share funds, to partially offset the cost of serving a disproportionate share of Medicaid recipients at the nursing home. Human Services costs, over which we have essentially no control, continue to rise. Savings effectuated in other departments allow us, in our FY 1995 budget, to keep our increase in revenues to be raised by taxes to 3.1%, with a total budget of \$14,818,299.

A more detailed explanation of FY 1994 is found in our annual report, copies of which are available at our office, which may be reached by calling 787-6941.

The Commissioners hold regular weekly meetings at the County Administration building on Route 10 just north of the County Courthouse in North Haverhill, with periodic tours of the Nursing Home, Department of Corrections, County Farm and Courthouse. The Commissioners also attended monthly meetings of the County Delegation's nine-member Executive Committee. All meetings are public, with interested citizens and members of the press encouraged to attend. Call our office at the above number to confirm date, time and schedule.

Once again, we are extremely grateful to all who have helped make several successful transitions, who have worked hard for the county, and who have assisted the Commissioners - dedicated staff members, elected officials, other agency personnel, our many wonderful volunteers, and the public - all of whom have made our job easier and rewarding.

Respectfully submitted,

Grafton County Commissioners

Betty Joe Taffe, Chairman (District 3)
Barbara B. Hill, Vice-Chairman (District 1)
Raymond S. Burton, Clerk (District 2)

GRAFTON COUNTY SENIOR CITIZENS COUNCIL

Grafton County Senior Citizens Council, Inc. provides services to older residents of Enfield through the Mascoma Area and Upper Valley Senior Centers. These services include home-delivered meals, a senior dining room program, transportation, adult day care, outreach and social work services, health screening and education, recreation, information and referral, as well as opportunities for older individuals to be of service to their communities through volunteering.

During 1994, 244 older Enfield residents were served through all of GCSCC's programs. These individuals enjoyed dinners at the Senior Centers or received hot meals delivered to their homes, used transportation services to travel to medical appointments, to grocery stores, to do personal errands or to the Senior Centers, volunteered hours of time, energy and talent to support community services, participated in recreational and educational programs or used our information and referral service, used the services of our social workers, or participated in our Adult Day Care Program. Services for Enfield residents were instrumental in supporting many of these individuals as they attempted to remain in their own homes despite physical frailties.

GCSCC staff also works with in the community to assist older Enfield residents and their families in making use of programs and services which will improve the quality of their lives.

GCSCC very much appreciates the support of Enfield for services which enhance the independence of older residents of the community.

Carol W. Dustin, ASCW
Executive Director

HEADREST

Headrest has provided social services to the residents of Enfield for the past twenty-four years. Our specialty is alcohol and drug abuse prevention and treatment services. These services are provided through four programs:

1. Alcohol and Drug Abuse Counseling
2. Teen Program
3. 24-Hour Hotline (Crisis Counseling and Information & Referral)
4. Shelter for the Homeless

In 1994 Headrest's service statistics for the Upper Valley were:

1. 259 clients received 3,096 hours of Alcohol and Drug Abuse Counseling.
2. 135 students received Teen Counseling Services.
3. 6,489 Hotline and Teenline calls were answered.
4. 173 Homeless clients spent 2,863 bed-nights in our Homeless Shelter.

Headrest handled two hundred eighty-eight Crisis and Information & Referral calls from Enfield on our Hotline and Teenline. Alcohol and Drug Abuse Counseling was also provided for twenty-four of your residents.

In our view, Headrest is like 911. We are the safety net for your town for psychological emergencies and for alcohol and drug abuse problems.

At your service,

Ronald J. Michaud, MSW, CCSW
Executive Director

HOSPICE OF THE UPPER VALLEY

Hospice of the Upper Valley, Inc. is a voluntary, community-based human service organization which addresses issues of life-threatening illness, death and bereavement. Our emphasis is on caring; we encourage ourselves and others to attend to the wholeness of each person and to affirm as well as support one another—caregivers and clients alike—in the spirit of love. Services include: direct patient/family care; volunteer, professional and community education; patient/family advocacy; case management; and influence in the development of public policy. The work of volunteers in the delivery of patient/family care is the mainstay of our Hospice services.

Our major sources of income are from memorial gifts, individual donations, and town support. We gratefully acknowledge the support we have received from Enfield in the past, and hope you will continue to support our services.

From January 1 through November 30, 1994, Hospice served 403 patients/families in our various areas of service, of which 17 have been from Enfield.

In 1994, 135 patient/family units received Hospice nursing assessment and consultation, volunteer assistance with routine tasks or respite care in home, hospital, or nursing home. 164 families received support and guidance in their grief through our support groups for bereaved children and ongoing adult support groups.

Hospice of the Upper Valley services are available free of charge in Upper Valley towns, including: Canaan, Dorchester, Enfield, Grafton, Hanover, Lebanon, Lyme, Orange, Orford, Piermont, Plainfield, Warren and Wentworth in New Hampshire; and Barnard, Bradford, Bridgewater, Corinth, Fairlee, Hartford, Hartland, Newbury, Norwich, Plymouth, Pomfret, Reading, Thetford, Topsham, Vershire, West Fairlee, West Windsor, Windsor and Woodstock in Vermont.

Respectfully submitted,

Marie Kim
Executive Director

LISTEN

The Tri-County Community Action Program (CAP) at LISTEN provides comprehensive and effective services to Enfield residents. The services are provided locally through LISTEN. Both agencies are private nonprofit organizations lead by a volunteer board of directors. LISTEN's mission is: To ensure that Upper Valley residents have the resources to become economically independent.

In order to achieve its mission, LISTEN offers programs and services in five areas. Three of the five are funded in part by town funds through CAP while the other two programs (Child and Family Intervention and Thrift Stores) are not funded by the town yet are available to residents.

Housing - 88 Enfield households received Fuel Assistance grants totaling \$42,909. Another 44 individuals who were either homeless or at risk of eviction were helped at LISTEN. 17 households had home improvement projects completed by volunteers from Group Workcamp with LISTEN as the local sponsoring agency.

Food Assistance - Community dinners are now offered each Wednesday evening in Enfield at the Methodist Church vestry on Route 4. 2,000 hot, nutritious meals were served to Enfield residents in 1994. 141 Enfield residents also received 3-5 day emergency food packets from LISTEN's food pantry in Lebanon.

Financial Counseling and Advocacy - 25 Enfield individuals benefited from LISTEN's free and confidential budget counseling service. Emergency financial assistance was provided to 21 Enfield residents.

Enfield residents received \$41,780 through food, housing grants and financial aid. Another \$42,909 in Fuel Assistance grants were paid by the CAP office in Berlin, NH for Enfield residents. A total of \$84,689 in direct financial assistance was provided to Enfield residents in 1994. Thus for every dollar granted by the Town of Enfield in 1994 (\$1,949) residents received \$43.45 in assistance for basic necessities which otherwise would be the responsibility of the town's welfare office. The request in 1995 is \$1,989.

UPPER VALLEY LAKE SUNAPEE REGIONAL PLANNING COMMISSION

The Upper Valley Lake Sunapee Regional Planning Commission is a voluntary association of 31 towns. The Commission is concerned with the development of comprehensive plans for beneficial and balanced economic, environmental and social growth in the Region. It functions as a research, resource, and informational agency, and when appropriate, acts to obtain Federal, State and other approvals, grants-in-aid, loans and similar assistance for individual member towns and for the Region. The Commission provides technical assistance to member communities in the areas of planning (land use, transportation, water quality, etc.), mapping, community development, grantsmanship and grant administration. In addition, regional studies, such as our Regional Transportation Plan; and regional projects, such as the Lake Sunapee Watershed Management Study, are undertaken to the benefit of more than one community.

In the past year, services such as our Planning Board training series, and library which features maps, planning resources and US Census data, were available to all of our member communities. Enfield residents have taken advantage of some of these services. A complete list of services which benefit our members follows below.

- Worked to promote Civic Profile in the Town.
- Provided an explanation of the age distribution in the Region.
- Provided information on excavation regulations and State alteration of terrain permits.
- Provided advice regarding annexation of land divided by town road.
- Assisted with Mascoma Regional High School re-accreditation by providing Census data and advice on how to present the data.
- Have continued to assist the NH solid waste district providing administrative support.
- Produced GIS soils map using SCS soil data for Planning Board.
- Gathered input for Route 4 corridor economic project.
- Discussed procedures for complaints and violations of local land use controls.
- Made available town budget information for comparison of town expenditures.
- Completed wellhead protection mapping and management plan.
- Produced extra copies of the wellhead protection maps.
- Provided population information to Indian River School.
- Used GIS to overlay a portion of tax map with hydric soils map to assist planner in determining whether a particular lot contained wetlands.

VISITING NURSE ALLIANCE OF VT & NH

We are pleased to provide this 1994 report on the activities of the Mascoma Home Health Services, a branch of The Visiting Nurse Alliance of VT & NH. It is our 25th year of providing home health care, hospice and community health services for the residents of your community.

This has been yet another year of extraordinary growth in requests for services affecting all of our programs, especially home visiting. This continued growth in home care services was driven by at least two familiar trends: shorter hospital stays requiring more intensive home care services immediately after discharge and the growing numbers of very disabled, chronically ill, frail older persons, requiring longer term care to promote their independence in the community. Home visits of nurses, physical therapists, social workers, home health aides and homemakers throughout our service area will total over 200,000 visits, representing a 30% increase over those reported in 1993. Our staff, with its experience, dedication and skill in caring for people in their homes, has made it possible for us to not only meet this challenge but also the challenge of achieving the highest standard of performance possible for a home care agency -- full accreditation from the Joint Commission on Accreditation of Healthcare Organizations.

2,684 home visits provided by our staff in the Mascoma Branch office for persons in the Town of Enfield for the period 7/1/93-6/30/94, were as follows: 966 Nursing; 243 Physical Therapy; 1 Speech Pathology, 6 Occupational Therapy; 893 Home Health Aide; 575 Homemaker.

The Family Health Services Program is available to young families in your community. This program includes a Well Child Clinic and a Women, Infants and Children (WIC) Program. The WIC Program provides nutrition education, food vouchers and health care referral sources to mothers and children from low income families. The Home Visitor Program provides professional support, information and understanding to parents who are struggling with the overwhelming task of raising children. This program affords the nursing and family support staff an early opportunity to identify and support parents at risk for developing parent-child relationship problems and to develop a plan of care specific to the individual needs.

The Agency also conducts other community screening clinics, flu clinics, foot clinics and other health programs.

We believe in the value of home and community health care and appreciate all that you do to support our efforts in your community.

Respectfully submitted,

Elizabeth J. Davis, RN, MPH
Chief Executive Officer

WISE

WISE thanks the people of Enfield for their support in 1994. Community support is vital for WISE to continue providing all crisis services FREE to clients. No one is ever turned away. WISE is the only agency of its kind in the Upper Valley, and services are available 24 hours, 365 days per year. Many people we work with would have nowhere else to turn for legal advocacy, counseling or other emergency assistance if WISE services were not available.

The **Domestic Violence Program** provides services to educate women, men, children and teens of the Upper Valley that violence does not have to be part of their lives. WISE assisted 31 battered women and their children from Enfield last year.

Through the **Sexual Assault Program**, 11 Enfield survivors of sexual assault came to WISE for help in 1994.

WISE has assisted more than 1000 women this past year who have been battered or raped. Many direct service hours are frequently needed for each client statistic: providing counseling, finding a safehome, helping to obtain restraining orders, providing transportation, support groups and advocating on their behalf with the medical, court, welfare and housing system. WISE also provided non-crisis services such as helping with job problems, finding legal or medical advice to over 1000 women.

The main reason WISE can do so much with limited financial resources is our dedicated volunteer staff: covering the hotline, helping with public presentations, office assistance and fund raising. Every dollar Enfield provides WISE is multiplied three times by the contributions of volunteers.

WISE has expanded its work with teens in the schools through our **School Outreach Program**. Emergency Room Protocols with Dartmouth Hitchcock Medical Center and currently one in progress with Alice Peck Day Hospital, have been developed. For the above reasons, as well as increased media focus on domestic violence issues, we are seeing a significant increase in calls and visits to WISE. The demand for our services continues to grow more than 50% annually and our funding resources are continually stretched to their limits.

Our next long term goal is to provide a transitional housing facility for the Upper Valley community, so women have a 'bridge' back to non-violent living.

TOWN MEETING MARCH 8 & 12, 1994

ARTICLE 1. The Moderator declared the following chosen by ballot to serve for:

Three Years: Bertrand Gilbert, Selectman
 John Goodwin, Trustee of Trust Funds
 Bertrand Gilbert, Zoning Board of Adjustment
 Paul Mirski, Zoning Board of Adjustment
 Nancy Foley, Supervisor of the Checklist
 Timothy Taylor, Fire Ward
 John L. Dunn Jr., Library Trustee

Two Years: Franklyn Phillips, Moderator

ARTICLE 2. 479 YES, 202 NO. In favor of amending the Enfield Building Code by adopting the 1993 BOCA National Building Code.

ARTICLE 3. 456 YES, 238 NO. In favor of the adoption of Amendment to #1 to the existing Town Zoning Ordinance to change Article IV, Section 408.1, that non-profit organizations may be granted additional sign area by special exception.

ARTICLE 4. 428 YES, 255 NO. In favor of the adoption of Amendment #2 to the existing Town Zoning Ordinance to change Article IV, Section 408.2, that one internally lit sign per building lot may be erected by special exception.

ARTICLE 5. 499 YES, 176 NO. In favor of the adoption of Amendment #3 to the existing Town Zoning Ordinance to change Article IV, Section 403.4 by adding educational facilities, museums and bus stop shelters as permitted uses in Section 401.4 Community Business District.

ARTICLE 6. 425 YES, 243 NO. In favor of the adoption of Amendment #4 to the existing Town Zoning Ordinance to change Article IV, Section 403.5 to add automotive uses, assembly, packaging facilities and bus stop shelters as permitted uses in Section 401.5 Commercial/Industrial District.

ARTICLE 7. 495 YES, 184 NO. In favor of the adoption of Amendment #5 to the existing Town of Enfield Floodplain Development Ordinance as required by the Federal Emergency Management Agency to continue receiving flood insurance to insert definition, siting, licensing and standards of elevation and anchoring requirements for "manufactured homes" of Recreational Vehicles.

ARTICLE 8. 463 YES, 206 NO. In favor of adoption of Amendment #6 to the existing Town Zoning Ordinance to change Article IV, Section 403.2, to add Commercial equestrian facilities as a special exception to the R3 District.

ARTICLE 9. 487 YES, 204 NO. In favor of the adoption of Amendment #7 to the existing Town Zoning Ordinance to add wildlife management to amend Article IV, Section 401.1, 401.2, 401.3, and 401.4 as read in the proposed Article 9.

ARTICLE 10. 175 YES, 94 NO. (2/3 paper ballot passage required.) Article 10 failed - To see if the Town will vote to raise and appropriate the sum of two hundred seventy-five thousand dollars (\$275,000) for the development, construction and connection of a new water resource.

ARTICLE 11. 243 YES, 30 NO. Article 11 passed - To see if the Town will vote to raise and appropriate the sum of three hundred sixty thousand dollars (\$360,000)(gross budget) for replacement of the bridge at the Pillsbury/Baltic Street site, which includes a minimum of \$225,000 in state and federal grant funds.

ARTICLE 12. Article 12 passed as printed, by a voice vote - To see if the Town will vote to change the purpose of the existing Fire Truck Replacement Capital Reserve Fund to the Fire Vehicle/Equipment Capital Reserve Fund.

ARTICLE 13. Article 13 failed, by a voice vote - To see if the Town will vote to raise and appropriate the sum of twenty-four thousand five hundred eighty-two dollars (\$24,582) for the purpose of maintaining the current method of biweekly curbside residential recycling from July 1, 1994 to December 31, 1994.

ARTICLE 14. Article 14 failed, by a voice vote - To see if the Town will vote to raise and appropriate the sum of seventeen thousand dollars (\$17,000) for the purpose of providing once per month residential curbside recycling from July 1, 1994 to December 31, 1994.

ARTICLE 15. 173 in favor, 45 opposed. Article 15 passed as printed, by a hand vote - To see if the Town will vote to raise and appropriate the sum of \$2,891,133 which represents the bottom line of the posted budget (MS-7) as recommended by the Budget Committee, exclusive of Special Warrant Articles 10, 11, 13, 14, 16, 17.

ARTICLE 16. Article 16 passed as printed, by a voice vote - To see if the Town will vote to raise and appropriate the sum of twenty thousand dollars (\$20,000) to build an addition to the Union Street Fire Station and to authorize the withdrawal of \$5,000 from the Municipal Buildings Capital Reserve Fund.

ARTICLE 17. Article 17 passed as printed, by a voice vote - To see if the Town will vote to raise and appropriate the sum of thirty thousand dollars (\$30,000) for the purpose of purchasing parcels of land from Katherine Avallone, Tax Map 15, Lot 14, and Donald LaBounty, Tax Map 36, lot 14, for developing and providing access to a municipal well.

ARTICLE 18. 41 YES, 184 NO. Article 18 failed - To see if the Town will vote to eliminate the budget committee as provided in RSA Chapter 32:14.

ARTICLE 19. Pursuant to a petition of twenty-five (25) or more legal voters: Are you in favor of abolishing the present system of appointing nine budget committee members at large and having the budget committee members elected, as authorized by RSA 32:15-I (a) and 32:15-III?

Article 19 passed as amended, by a voice vote - Are you in favor of abolishing the present system of appointing nine budget committee members at large and having the budget committee members elected, as authorized by RSA 32:15-I (a) and 32:15-III, and to allow the Moderator to continue appointing the Budget Committee members until election for same can be held at the 1995 Town Meeting?

ARTICLE 20. Article 20 failed, by a voice vote - To see if the Town will vote to support a user fee charge on rubbish disposal, as a means to encourage recycling and to reduce the tax rate.

ARTICLE 21. 96 YES, 97 NO. Article 21 failed, by paper ballot - To see if the Town will vote to change its fiscal year from January 1 to December 31 to a fiscal year beginning on July 1 and ending June 30 of each year, beginning July 1, 1995, and to require the preparation of an eighteen month budget for the time frame January 1, 1995 to June 30, 1996.

ARTICLE 22. Article 22 failed, by a voice vote - To see if the Town will vote to hold the annual Town Meeting in May beginning in 1996. This will provide the Town the opportunity to hold the annual meeting prior to the beginning of the fiscal year and enable the voters to adopt a budget prior to encountering expenditures.

ARTICLE 23. Shall the Town accept the provisions of RSA 31:95-b providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to apply for, accept and expend, without further action by the Town Meeting, unanticipated money from a state, federal, or other governmental unit or a private source which becomes available during the fiscal year? This authorization shall remain in effect until rescinded by a vote of the town meeting.

Article 23 passed, as amended, by a voice vote - Shall the Town accept the provisions of RSA 31:95-b providing that any town at an annual meeting may adopt an article authorizing the Selectmen to apply for, accept, and expend, without further action by the town meeting, unanticipated money from a state, federal, or other governmental unit or a private source which becomes available during the fiscal year?

ARTICLE 24. Shall the Town accept the provisions of RSA 202-A:4-c providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the public library trustees to apply for, accept and expend, without further action by the Town Meeting, unanticipated money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year? This authorization shall remain in effect until rescinded by a vote of the town meeting.

Article 24 passed as amended, by a voice vote - Shall the Town authorize the public library trustees to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year?

ARTICLE 25. To see if the Town will vote to authorize the Board of Selectmen to accept gifts of personal property which may be offered to the Town for any public purpose, pursuant to RSA 31:95-e. The Selectmen must hold a public hearing before accepting such gift, and the acceptance shall not bind the Town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of any such personal property. This authorization shall remain in effect until rescinded by a vote of the Town Meeting.

Article 25 passed as amended, by a voice vote - To see if the Town will vote to authorize the Board of Selectmen to accept gifts of personal property which may be offered to the Town for any public

purpose, pursuant to RSA 31:95-e. The Selectmen must hold a public hearing before accepting such gift, and the acceptance shall not bind the town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of any such personal property.

ARTICLE 26. Shall the Town accept the provision of RSA 33:7 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to issue tax anticipation notes? This authorization shall remain in effect until rescinded by a vote of the Town Meeting.

Article 26 passed as amended, by a voice vote - Shall the Town accept the provision of RSA 33:7 providing that any town at an annual meeting may adopt an article authorizing the Selectmen to issue tax anticipation notes?

ARTICLE 27. To see if the Town will vote to authorize the Board of Selectmen to administer, sell or otherwise dispose of any real estate acquired by tax title or otherwise, by public auction, by advertised sealed bids, or to otherwise dispose of as justice may require, indefinitely until specific rescission of such authority, pursuant to RSA 80:80, providing that if such property is to be sold at public auction, then the same shall be advertised sixty (60) days in advance of sale and again forty-five (45) days in advance of sale with notice posted in three public places and two local newspapers of wide circulation for two consecutive weeks. This authorization shall remain in effect until rescinded by a vote of the Town Meeting.

Article 27 passed as amended, by a voice vote - To see if the Town will vote to authorize the Board of Selectmen to administer, sell or otherwise dispose of any real estate acquired by tax title or otherwise, by public auction, by advertised sealed bids, or to otherwise dispose of as justice may require, providing that if such property is to be sold at public auction, then the same shall be advertised sixty (60) days in advance of sale and again forty-five (45)

days in advance of sale with notice posted in three public places and two local newspapers of wide circulation for two consecutive weeks. The above is not a complete copy of the minutes of the March 9, 1993 Town Meeting, but a record of the actual vote.

ARTICLE 28. To see if the Town will vote to authorize the Board of Selectmen, indefinitely until specific rescission of such authority, to accept the dedication of any street shown on a subdivision plat approved by the Planning Board, provided that such street has been constructed to applicable Town specifications as determined by the Board of Selectmen or their agent. This authorization shall remain in effect until rescinded by a vote of the Town Meeting.

Article passed as amended, by a voice vote - To see if the Town will vote to authorize the Board of Selectmen to accept the dedication of any street shown on a subdivision plat approved by the Planning Board, provided that such street has been constructed to applicable Town specifications as determined by the Board of Selectmen or their agent.

ARTICLE 29. Article 29 passed as printed, by a voice vote - To see if the Town will vote to authorize the Board of Selectmen to accept, on behalf of the Town, gifts, legacies, and devises made to the Town in trust for any public purpose, as permitted by RSA 31:19.

ARTICLE 30. Article 30 passed as printed, by a voice vote - To hear the reports of agents, auditors, committees, or any other officers heretofore chosen and pass any vote relating thereto.

The above is not a complete copy of the Town Meeting minutes of March 8 & 12, 1994, but a record of the actual vote.
